The Cornell, Maryland, Max Planck Pre-doctoral Research School 2023

CERTIFICATE

This is to certify that

Jifeng Wu

has successfully completed the *Cornell, Maryland, Max Planck Pre-doctoral Research School 2023* hosted at the Max Planck Institute for Software Systems in Saarbrücken, Germany, August 7-12, 2023.

The student attended lectures with faculty from participating institutions on a variety of cutting-edge topics in computer science, including robotics, parallel algorithms, machine learning, algorithmic decision making, software engineering, quantum computing, security and privacy, and network and cloud systems.

Georg Zetzsche
Faculty
Max Planck Institute for Software Systems

Bobby Bhattacharjee
Professor
University of Maryland, College Park

Lorenzo Alvisi
Tisch University Professor
Cornell University

Peter Druschel
Scientific Director
Max Planck Institute for Software Systems
